* * FOR IMMEDIATE RELEASE * *

Due to the impending landfall of Hurricane Laura in Southeast Texas and the very dangerous life-threatening impacts it will have on Hardin County in the next 24-48 hours, there is a Mandatory Evacuation Order in place for all citizens of Hardin County, including each of the cities within.

Please secure your home and evacuate yourself, your family, and your pets to a safe location immediately!

If you need assistance with evacuating to a congregate shelter out of this area, please call us by midnight tonight at **(409) 209-5400**. If no one answers your call, please leave a message with your name, address and phone number. Someone will return your call.

All evacuees will be allowed to return home once the Mandatory Evacuation Order has been lifted, and that order will be lifted as soon as possible once it is safe for the population to return to Hardin County.

Stay safe, and God Bless!
